

COMSTOCK PUBLIC SCHOOLS

Dr. Jeffrey J. Thoenes, Superintendent
ThoenesJ@ComstockPS.org

October 18, 2021

Comstock Educational Community,

Comstock Public Schools has a confirmed case of COVID-19 for a student at Comstock High School. This student was present at school and the dance that was held in the gymnasium on Friday, October 15, 2021, from 8:00PM to 10:00PM. We were unable to identify the source of transmission. After consulting the Kalamazoo Health Department, and given the magnitude of the contact tracing that this situation will require, **classes at Comstock High School will be canceled on Tuesday, October 19th. This cancellation includes all high school extra-curricular activities and sports. All other buildings will remain open and follow their regular schedules.**

If your student was at the dance on Friday night, and is vaccinated, there is nothing more that you need to do at this time. If your student was at the dance on Friday night, and is not vaccinated, please call the CHS office at 269-250-8705 to report your attendance to receive guidance before you return to school.

If your student was not at the dance, regular contact tracing will occur. Families will be contacted as needed.

Once the contact tracing has been completed, all staff and families will be contacted with the outcome.

Stay safe.

Sincerely,

A handwritten signature in black ink that reads "Dr. Jeffrey J. Thoenes". The signature is written in a cursive, flowing style.

Dr. Jeffrey J. Thoenes
Superintendent
