Comstock Educational Community,

In an effort to simplify the district's communication procedures regarding officially notifying families of school-related cases or exposure to the coronavirus, I am announcing a new process that begins effective today.

From now on, the district will only notify individuals and their families who are close contacts. We will cease sending out universal notification letters to the entire district. If individuals wish to monitor the number of cases the district is experiencing on an ongoing basis, they may do so by checking the [dashboard](#) on our coronavirus web page: [www.ComstockPS.org/coronavirus](http://www.ComstockPS.org/coronavirus).

If anyone has any questions, please feel free to contact me at your earliest convenience at [Jeff.Thoenes@ComstockPS.org](mailto:Jeff.Thoenes@ComstockPS.org). Thank you for your time and consideration.
