<p>New Process (Schedule, Action Team Agendas)</p>	<p>Instead of having both the Action Teams and the Lighthouse Team meet after each staff meeting each month, the Lighthouse Team will meet after one staff meeting and the Action Teams will meet after the other staff meeting each month. This will allow the Action Team leaders to coordinate their agendas and to have time to prepare to lead their Action Teams later in the month. (Because the Action Teams will only be meeting once a month, they may need to complete some of their tasks outside of their scheduled meeting times.) Shawn updated the meeting schedule so it indicates which nights the Lighthouse Team and the Action Teams will meet.</p>
<p>Revisit the Year Long Plan</p>	<p>School/Community Events The next school assembly will be virtual.</p>
