

Lighthouse Team Meeting

Agenda/Minutes

Friday, August 18, 2023

9:00 AM - 12:00 PM

- Update Year-Long Plan
 - We updated our Year-Long Plan. We moved the selection of the students for the Student Lighthouse Team to October 6th.
- Action Team Agendas
 - We created agendas for our next round of Action Team meetings. See the Hub for each team's agenda.
- Semester One WIG
 - We will no longer be setting reading WIGS for semester one. Instead, we will be tracking attendance. Lower elementary teachers are encouraged to have students mark their attendance daily by having them mark a chart on the wall that can be disassembled and placed in or transferred to Leadership Portfolios. The Academics Action Team will provide materials soon.
- School-wide Assemblies
 - We will no longer have school-wide assemblies in the gym. Instead, we will hold assemblies in the multi-purpose room in grade band configurations: K-1, 2-3, and 4-5. We will share a schedule soon.
