

# Important Food Service Websites

- ~All students, at all buildings, eat breakfast and lunch at NO COST
- ~The student meal account number is their school ID number
- ~There is a cost for extra entrees, "doubles", and items not included with the regular lunch; milk only without a school lunch or breakfast is \$.75
- ~We ask families who have not already received an email or letter home with the student's benefit information on it, to complete the "Education Benefits Form" (NEW) to help with funding for technology and classroom support; this will not affect your free meals at school
