Welcome Comstock High School Students & Families 2023-2024

Dear Comstock Students & Families,

As we anticipate the start of a new academic year, I am delighted to extend a warm welcome back to all of you. The 2023/2024 school year is going to be an exceptional one. What's new?

We have a handful of awesome teachers & staff who are great additions to the CHS team. All bring impressive backgrounds to their discipline and are passionate about working at Comstock High School.

At Comstock High School, we value each student's individual learning experience. We are thrilled to welcome back our returning students and are equally enthused to greet our new students. The entire CHS team is dedicated to making this year successful for all of our students. It's your year Class of 2024! Let's make it a great one!

One of the CHS staff's building-wide goal areas in the classroom this year will be on implementing various formative assessments. Formative assessments are a strategy to monitor and provide feedback to students about student learning. Formative assessments help teachers and students identify their strengths and weaknesses and pinpoint areas that need more work.

Expect to see construction happening at CHS this year. We will begin renovating the classrooms & hallways this fall with new carpeting, lighting, ceiling tiles, windows, technology, and a fresh coat of paint. As a part of these upgrades, we will have new student lockers! The new lockers will be bigger & twice as wide as they are currently. Every locker will have built-in locks which means no padlocks on the lockers. Later in the year, we will renovate the science rooms with new technology and state of the art equipment and furniture. In the summer of 2024, the band/choir rooms will also be transformed into a more modern and functional musical facility.

We hope to see everyone at Registration Day. Registration Day is August 21, 2023 and is from 1:00-6:00 at CHS. Students will receive their schedules, complete the necessary forms, get their school pictures taken, learn about various clubs, meet the new & returning staff, pick up their chromebooks, and more.... A reminder that the first day of school is August 28, 2023. This will be a half day for students. A good rule of thumb is to check the Comstock Public Schools website for the most up-to-date information about CHS.

Once again, welcome back to Comstock High School. Here's to another year of learning, growing and making great memories together!

It's a great year to be a Colt!,

Ms. Mary Spade
